

- iv. Currently revising our documents; sample will go to the Faculty Senate Executive Committee this fall, then all will come to CCPI for approval (opportunity for revisions), then Faculty Senate. We have a solid process, and want to demonstrate that in the documents as well.

Next meeting: Sept. 17 @ 3:30 p.m. Will only meet if we have curriculum presented to us, which is often slow at beginning of the semester.

Bob moved to adjourn. Seconded by N. Ekici. Meeting ended 3:55 p.m.
